**Roll Call:**

**Informal Review of New Applications:**

**App. #15-13: Alexander & Yelena Mishkevich, 80 Hillcrest Ave., Bl. 1714, Lot 16 (R-15 Zone)**

Proposed principal addition consisting of attached two-car garage, new front entry and new deck which is partially covered with a roof structure. Relief is needed from Section 6.1.1B "Schedule of General Regulations" for front-yard setback, principal rear yard setback, building coverage and total lot coverage. Additional relief is required from Section 8.1.1B1.&2. which prohibits expansion of a nonconforming structure and Section 3.1.8."Decks" due to deck height.

**App. #16-13: Michael Hayes, 314 Washington Street, Block 208, Lot 17 (R-10 Zone)**

Proposed new, detached garage (24' x 28' x 20' high) will replace the existing (20' x 20' x 13'high) detached garage. A second-story work shop area is proposed to be built in the new garage and used for a hobby of wood working. In addition, an existing shed (8' x 12' x 10' high) will be relocated. Relief is needed from Section 6.1.1B "Schedule of General Regulations" for exceeding "Other Coverage."

**Applications for Review:**

**App. #13-13: Mr. and Mrs. Dean Nasto, 14 Robbins Ave., Block 901, Lot 1 (R-15 Zone)**

Proposed entrance portico requires relief from Section 6.1.1B, "Schedule of General Regulations" because it would encroach into the front-yard setback. As a result of the principal structure being elevated per Flood Plain Relief, the existing deck will increase in height and therefore require relief from Section 3.1.8, "Decks" which limits deck height to 4' in sections of a deck between the 40' rear-yard setback and the 30' setback allowed for decks.

**App. #14-13: The Lusardi Group, 50 Industrial Road, Block 1301, Lot 14.01 (LI Zone)**

Applicant is seeking conditional use approval to park its tractor trailer moving trucks overnight at the rear of the property. Since all conditions of the conditional use will not be met, Zoning Board approval is required. (Tractor trailers are not allowed under Section 7.1.5.K.7. of the ordinance.) The applicant is also proposing to create a parking area in the front yard for staff and customers which is not permitted in the LI Zone. The new parking area would result in "other coverage" and "combined coverage" limits being exceeded. Finally, the application includes a free-standing sign in the front yard (not permitted as per Section 5.4.3.).

**CARRIED FROM MAY 23, 2013:**

**App. #10-13: Firestone, 292 Springfield Avenue, Block 801, Lot 27 (HB-2 Zone)**

Addition of lean-to roof attached to the rear of the existing building. Relief is needed from: Section 6.1.1B, "Schedule of General Regulations" because the roof addition does not conform to the principal rear-yard setback requirements and Section 10.6.3D.4 which sets forth buffering requirements.
