ARTICLE I – PURPOSE

1.1 The purpose of this Agreement is to settle the BH Developers Intervention and to create a realistic opportunity for the construction of the Inclusionary Development, and to generate affordable housing credits for the Township to apply to any Round 3 obligation assigned to it. The Inclusionary Development shall be substantially consistent with the concept plan, floor plans and elevations attached hereto and made a part hereof as **Exhibit B**, which has been reviewed and approved by the Township and the Township’s professionals, and shall be further subject to the following requirements:

1.1.1 **Density**. The residential development of the Property shall be developed with a density of 150 residential units, inclusive of an affordable housing component that is described in greater detail in Section 3.1 herein.

1.1.2 **Height**. The residential development of the Property shall be included in a three (3) – story building with a proposed parapet, which shall not exceed the height of forty-two (42’) feet from the grade in the front of the building, with a two (2) – story parking garage. Attached hereto as **Exhibit D** is an architectural sketch, with dimensions, of what the proposed parapet will look like for this project.

1.1.3 **Amenities**. In lieu of providing retail space on the first floor, the residential building shall be designed to have the amenities located along the entire building frontage fronting the existing surface parking lot on the Property. The amenities shall include a club room, exercise and health area, business office area, storage, and similar non-residential uses designed to support the residential uses.

1.1.4 **Parking**. Two (2) parking spaces for each residential unit shall be provided on the Property, in addition to eighty-three (83) surface parking spaces set aside for the approximately 25,000 +/- square feet of retail and restaurant space that will remain on the Property.

1.1.5 **Streetscape**. BH Developers shall provide streetscape improvements along Sherman Avenue, from Summit Avenue to Lone Pine Drive (both sides) and from Summit Avenue to Plainfield Avenue (south side only) as shown on the attached **Exhibit E** (attached for the purpose of identification of location of said improvements only), including, but not limited to, ornamental street lights, street trees, brick paver sidewalks, brick paver crosswalks, bicycle racks, trash receptacles, and benches per the Township’s Downtown development standards. The Township shall take appropriate actions to allow BH Developers any required access through the Township’s right-of-ways, easements and other property

interests to the properties required to make the streetscape improvements set forth herein. If there are any properties which BH Developers and the Township are unable to provide or obtain such access to make these improvements, BH Developers shall deposit an agreed upon amount of funds with the Township to make the required improvements on these properties, the terms of which shall be set forth in a separate written agreement between the parties. Nothing in this Agreement shall prohibit or otherwise restrict BH Developers ability to privately negotiate a contribution agreement with other property owners and/or developers of properties along this section of Sherman Avenue for a pro-rata share of the costs of the required improvements herein; however, whether such private agreement(s) are entered into or not shall not alleviate BH Developer's obligation to complete such improvements.

- 1.1.6 Architectural Design.** BH Developers shall provide the Township for review and approval floor plans for all three floors, along with building elevations for front and side elevations, depicting the proposed building heights, after taking into consideration the design flood elevation, and a cross-section across the Property. The building elevations shall comply with the Township's Design Standards (Part 19 of the Land Development Ordinance).

ARTICLE II - BASIC TERMS AND CONDITIONS

2.1 This Agreement is subject to Court approval following a duly noticed "Fairness Hearing," which has been scheduled by the Court for October 17, 2016. The Township is responsible for the preparation and cost of the notice of the Fairness Hearing, which has already been provided by the Township. The Parties will work together to ensure that the Court approves the Agreement at the currently scheduled Fairness Hearing or promptly thereafter, if rescheduled by the Court.

2.2 In the event of any legal challenges to the Court's approval of this Agreement or the Redevelopment Approvals the Parties must diligently defend any such challenge and shall cooperate with each other regarding said defense. In addition, if any such challenge results in a modification of this Agreement or of the Inclusionary Development, the Parties must negotiate in good faith with the intent to draft a mutually-acceptable amended Agreement, provided that no such modification requires an increase or decrease in density than that agreed upon and reflected in the within Agreement.

2.3 This Agreement does not purport to resolve all of the issues before the Court raised in the Compliance Action.

ARTICLE III – BH DEVELOPERS OBLIGATIONS

3.1 Affordable Housing Set-Aside. BH Developers shall have an obligation to deed-restrict fifteen percent (15%) of the residential units in the Inclusionary Development (equivalent to 23 units) as very low, low or moderate income affordable units. Any such affordable units shall comply with UHAC, applicable COAH affordable housing regulations, any applicable order of the Court, and other applicable laws.

- 3.1.1 In addition, the affordable units shall remain affordable rental units for a period of thirty (30) years (“Deed-Restriction Period”) so that the Township may count the units against its obligations to provide family rental housing. This obligation includes, but is not limited to, the Developer’s obligation to comply with the bedroom distribution requirements, very low (13%) / low (37%) / moderate (50%) income split requirements, pricing requirements, affirmative marketing requirements, candidate qualification and screening requirements, and deed restriction requirements.
- 3.1.2 The distribution of the affordable housing units shall be in compliance with COAH’s Round Two substantive regulations, N.J.A.C. 5:93, which the Parties believe will govern the issue, or as approved by the Special Master and the Court.
- 3.1.3 BH Developers shall contract with an experienced administrative agent (“Administrative Agent”) for the administration of the affordable units and shall have the obligation to pay all costs associated with properly deed restricting the affordable units in accordance with UHAC and other applicable laws for the Deed-Restriction Period. BH Developers and its Administrative Agent, shall work with the Township and the Township’s Administrative Agent regarding any affordable housing monitoring requirements imposed by COAH or the Court.
- 3.1.4 The Parties agree that the affordability controls shall expire at the end of 30 years after the date of the initial occupancy of the affordable unit. At the end of the Deed-Restriction Period, the Township shall cooperate with the developer to facilitate the developer’s ability to exercise its right to have the deed restriction last for only 30 years.
- 3.1.5 The Parties agree that the affordable units are to be included in the Affordable Housing Plan to be approved and credited by the Court in the Compliance Action, and that the credits will be applied against any Round 3 obligation assigned to the Township.
- 3.1.6 Upon written notice, BH Developers shall provide detailed information requested by the Township, or the Township’s Administrative Agent, within 30 days concerning BH Developers’ compliance with UHAC and other applicable laws.

3.2 Obligation Not To Oppose Township’s Application for Approval of its Affordable Housing Plan. As it pertains to the Property, BH Developers shall not directly or indirectly oppose or undertake any action to interfere with, nor participate in, the Court’s adjudication of the Township’s affordable housing obligations and compliance standards. BH Developers shall also not directly or indirectly oppose or undertake any action to interfere with the Court’s approval and/or implementation of the Affordable Housing Plan, as it may be amended in any form, unless the Affordable Housing Plan deprives BH Developers of any rights

created hereunder, or unless any other defendants or interested parties undertake any action to obstruct or impede BH Developers from securing such approvals as it needs to develop the Inclusionary Development on the Property.

3.3 Obligation to Withdraw as an Intervenor in the Township's Compliance Action. Upon the Court's approval of this Agreement at the Fairness Hearing, BH Developers shall no longer continue to participate in the Compliance Action, except for the limited circumstances described provided in Section 3.2 of this Agreement; and shall formally be dismissed from the Township's Compliance Action.

ARTICLE IV - OBLIGATIONS OF THE TOWNSHIP

4.1 Obligation To Effect Redevelopment Approvals. Within fifteen (15) days of the Court's approval of this Agreement at a Fairness Hearing, the Township shall adopt a resolution ("Initial Resolution") directing the Planning Board to undertake a preliminary investigation of the Property to determine if the Property meets the criteria for designation as a "non-condemnation redevelopment area" in accordance with N.J.S.A. 40A:12A-5 and -6. Within thirty (30) days of the Planning Board's recommendation that the Property be designated as a non-condemnation redevelopment area, the Township shall adopt a resolution formally designating the Property as a non-condemnation redevelopment area ("Redevelopment Area Designation"). Within ninety days (90) of the date of the Redevelopment Area Designation, the Township shall prepare a redevelopment plan in accordance with N.J.S.A. 40A:12A-7 permitting the Inclusionary Development as-of-right ("Redevelopment Plan"), introduce the Redevelopment Plan by ordinance on first reading, and adopt a resolution referring the Redevelopment Plan to the Planning Board for review and recommendation. Within the lesser of (a) thirty (30) days from the date of the Planning Board's final review and recommendation of the adoption of the Redevelopment Plan, or (b) forty-five (45) days from the date of the Township's introduction of the Ordinance adopting the Redevelopment Plan and referring the Redevelopment Plan to the Planning Board, the Township shall adopt the Redevelopment Plan by ordinance on second reading ("Ordinance"). Within thirty (30) days of the date of the adoption of the Ordinance, the Township shall negotiate a redevelopment agreement with BH Developers ("Redevelopment Agreement") and adopt resolutions approving the Redevelopment Agreement and designating BH Developers as the exclusive redeveloper of the Property. The Redevelopment Agreement shall be reasonably satisfactory to both the Township and BH Developers and upon final approval of the redevelopment plan and in connection with the entering of the redevelopment agreement, the residential development shall be subject to a Payment in Lieu of Taxes (PILOT) agreement between the Township and BH Developers, the specific terms of which shall be further negotiated between the parties. The Township and BH Developers shall execute the Redevelopment Agreement promptly after the Township's adoption of the resolution approving same. In connection with the above actions, the Township shall comply with all applicable procedural requirements set forth in the Redevelopment Law and the case law interpreting same, including, but not limited to, legal notice requirements. All of the time periods set forth in this Section 4.1 may be subject to extension of time, which shall be reasonably agreed upon by the Parties, if at no fault of either Party the required actions cannot be completed within the time periods established.

4.2 Obligation To Preserve The Redevelopment Approvals. The Redevelopment Approvals shall not be amended or rescinded except upon the application of BH Developers or by Order of the Court.

4.3 Roadway Vacation. The Township shall vacate a portion of the Sherman Avenue South right-of-way (“Vacation”), thirty-six (36) feet of which shall be improved with a portion of the proposed residential building for the Inclusionary Development, as depicted on the concept plans, dated January 6, 2016, consisting of two pages, and prepared by Lessard Design, which are attached hereto and made a part hereof as **Exhibit C**, and the remainder of which shall be improved and used for a twenty two foot (22’) wide emergency access (“Emergency Access Lane”). If BH Developers cannot obtain the required approvals from the New Jersey Department of Environmental Protection (“NJDEP”) to improve the Emergency Access Lane to the full 22 foot width as depicted on the attached **Exhibit C**, then the proposed residential building for the Inclusionary Development shall be relocated or redesigned within the parameters of this Agreement so that the Emergency Access Lane can be constructed in compliance with the attached **Exhibit C**. BH Developers shall be responsible for the maintenance, including, but not limited to, the plowing and paving, of the Emergency Access Lane. The Vacation shall not occur until after the execution of the Redevelopment Agreement by the Township and BH Developers.

4.4 Representation regarding Sufficiency of Water and Sewer: The Township agrees to reasonably comply with BH Developers’ investigation and inquiry into the sufficiency of potable water and sewer capacity to service the proposed Inclusionary Development. Any water, sewer, or any other utility infrastructure or improvements, whether on site, off-site or off-tract, required for the development of the proposed Inclusionary Development shall be at the sole cost and expense of BH Developers subject to the pro rata allocation under the Municipal Land Use Law.

4.5 Obligation To Cooperate: The Township acknowledges that in order for BH Developers to construct its Inclusionary Development, BH Developers will be required to obtain any and all necessary and applicable agreements, approvals, and permits from all relevant public entities and utilities; such as, by way of example only, the Township, the Planning Board, the County of Union, the Union County Planning Board, the New Jersey Department of Environmental Protection, the New Jersey Department of Transportation, the Somerset-Union Soil Conservation District and the like, including the Township’s ordinance requirements as to site plan and subdivision (the “Required Approvals”) and the Redevelopment Plan. The Township agrees to use all reasonable efforts to assist BH Developers in its undertakings to obtain the Required Approvals.

4.6 Obligation to Refrain From Imposing Cost-Generative Requirements. The Township recognizes that the Redevelopment Approvals and this Agreement all contemplate the development of an “inclusionary development” within the meaning of the Mount Laurel doctrine, and BH Developers shall be entitled to any benefits, protections, and obligations afforded to developers of inclusionary developments, other than what BH Developers agreed to in the Memorandum of Understanding and this Agreement. Therefore, the Township will not impose development standards and/or requirements that have not been agreed to by the parties, and would otherwise be considered to be “cost generative.”

ARTICLE V – OBLIGATIONS OF THE PLANNING BOARD

5.1 Obligation to Participate in Redevelopment Approvals with Reasonable Diligence. Notwithstanding any other provision of Article V, the Parties understand that the Planning Board is not a party to this Agreement, but the Parties anticipate that the Planning Board will honor the provisions set forth herein. At the time of the execution of this Agreement, the Township has already adopted the Initial Resolution. Within sixty (60) days of the full execution of this Agreement, the Planning Board shall authorize the preparation of preliminary investigation of the Property to determine if the Property meets the criteria for designation as a “non-condemnation redevelopment area” in accordance with N.J.S.A. 40A:12A-5 and -6. Such preliminary investigation includes, but is not limited to, the preparation of a preliminary investigation report and map, the holding of a preliminary investigation hearing on the Property, and the Planning Board’s formal recommendation regarding the redevelopment area designation of the Property. The costs of the preparation of this preliminary investigation study and the preparation of the redevelopment plan and related work shall be borne by BH Developers through an escrow agreement with the Township.

5.2 Obligation to Process BH Developer’s Development Applications with Reasonable Diligence. The Planning Board shall expedite the processing of BH Developers’ development applications following Court approval of this Agreement following a duly noticed Fairness Hearing in accordance with N.J.A.C. 5:93-10.1(a) and within the time limits imposed by the MLUL. In the event of any appeal of the Redevelopment Approvals, or Court approval of this Agreement, the Board shall process and take action on any development application by BH Developers for the Property which decision may be conditioned upon the outcome of any pending appeal.

5.3 Obligation to Refrain From Imposing Cost-Generative Requirements. The Planning Board recognizes that the Redevelopment Approvals and this Agreement all contemplate the development of an “inclusionary development” within the meaning of the Mount Laurel doctrine, and BH Developers shall be entitled to any benefits, protections, and obligations afforded to developers of inclusionary developments. Nothing shall prevent BH Developers from applying for a waiver or bulk variance from any standard imposed by the Redevelopment Plan and/or the Township’s Land Use and Development Ordinance, as applicable, and the standards set forth in the MLUL and/or the Redevelopment Law, as applicable, shall determine if BH Developers is entitled to this relief or from seeking a waiver or de minimus exception to any standard or requirement of the Residential Site Improvement Standards under the applicable regulations. Notwithstanding the above, the Township Council and the Planning Board are under no contractual obligation to grant or approve any request for a variance, waiver or de minimus exception.

Within thirty (30) days of the Effective Date (as this term is defined herein), the Township and BH Developers shall enter into an escrow agreement for the deposit of monies in escrow with the Township to be utilized to tender payment of reasonable fees for professional services, including legal, engineering, planning services and construction inspection services, being provided in conjunction with the Redevelopment Approvals and the review and construction inspection of the Inclusionary Development and any off-site and off-tract improvements.

6.2 Obligation To Comply with State Regulations: The Parties shall comply with any and all Federal, State, County and local laws, rules, regulations, statutes, ordinances, permits, resolutions, judgments, orders, decrees, directives, interpretations, standards, licenses, approvals, and similarly binding authority, applicable to the Inclusionary Development or the performance by the Parties of their respective obligations or the exercise by the Parties of their respective rights in connection with this Agreement.

6.3 Mutual Good Faith, Cooperation and Assistance. The Parties shall exercise good faith, cooperate, and assist each other in fulfilling the intent and purpose of this Agreement, including, but not limited to, the approval of this Agreement by the Court, the Redevelopment Approvals, the development of the Property consistent with the terms hereof, and the defense of any challenge with regard to any of the foregoing.

6.4 Failure to Effect Redevelopment Approvals; Alternative Rezoning Ordinance Option. If the Township fails to effect the Redevelopment Approvals within the time frames set forth in Section 4.1, then, at the option of BH Developers, in its sole discretion and by prior written notice to the Township in accordance with Article IX of this Agreement, the Parties shall be restored to the status quo ante to the date hereof and all claims and defenses available now shall be available to the Parties:

6.4.1 In the event that the Redeveloper decides that the Parties shall be restored to the status quo ante to the date hereof and all claims and defenses available now shall be available to the Parties, no Party shall be entitled to use this Agreement, or negotiations in conjunction therewith, to attempt to prejudice the other in any future proceedings.

6.5 Defense of Agreement. Each party exclusively shall be responsible for all costs which they may incur in obtaining Court approval of this Agreement and any appeal therefrom, or from obtaining the Redevelopment Approvals or the approval of the Affordable Housing Plan or any part thereof. The Parties shall diligently defend any such challenge.

Each of the Parties expressly represents to the other Parties that: (a) it has been represented by counsel in connection with negotiating the terms of this Agreement; and (b) it has conferred due authority for execution of this Agreement upon the person(s) executing it.

10.8 Necessity of Required Approvals: The Parties recognize that the site plans required to implement the Inclusionary Development provided in this Agreement, and such other actions as may be required of the Planning Board or Township under this Agreement, cannot be approved except on the basis of the independent reasonable judgment by the Planning Board and the Township Council, as appropriate, and in accordance with the procedures established by law. Nothing in this Agreement is intended to constrain that judgment or to authorize any action not taken in accordance with procedures established by law. Similarly, nothing herein is intended to preclude BH Developers from appealing any denials of or conditions imposed by the Planning Board in accordance with the MLUL or taking any other action permitted by law.

10.9 Schedules: Any and all Exhibits and Schedules annexed to this Agreement are hereby made a part of this Agreement by this reference thereto. Any and all Exhibits and Schedules now and/or in the future are hereby made or will be made a part of this Agreement with prior written approval of both Parties.

10.10 Entire Agreement: This Agreement constitutes the entire agreement between the parties hereto and supersedes all prior oral and written agreements between the parties with respect to the subject matter hereof except as otherwise provided herein.

10.11 Conflict Of Interest: No member, official or employee of the Township or the Planning Board shall have any direct or indirect interest in this Agreement, nor participate in any decision relating to the Agreement which is prohibited by law, absent the need to invoke the rule of necessity.

10.12 Effective Date: Anything herein contained to the contrary notwithstanding, the effective date ("Effective Date") of this Agreement shall be the date upon which the last of the Parties to execute this Agreement has executed and delivered this Agreement.

10.13 Waiver. The Parties agree that this Agreement is enforceable. Each of the Parties waives all rights to challenge the validity or the ability to enforce this Agreement. Failure to enforce any of the provisions of this Agreement by any of the Parties shall not be construed as a waiver of these or other provisions.

10.14 Captions. The captions and titles to this Agreement and the several sections and subsections are inserted for purposes of convenience of reference only and are in no way to be construed as limiting or modifying the scope and intent of the various provisions of this Agreement.

10.15 Default. In the event that any of the Parties shall fail to perform any material obligation on its part to be performed pursuant to the terms and conditions of this Agreement,

unless such obligation is waived by all of the other Parties for whose benefit such obligation is intended, or by the Court, such failure to perform shall constitute a default of this Agreement. Upon the occurrence of any default, the non-defaulting Party shall provide notice of the default and the defaulting Party shall have a reasonable opportunity to cure the default within forty-five (45) days. In the event the defaulting Party fails to cure within forty-five (45) days or such reasonable period of time as may be appropriate, the Party(ies) for whose benefit such obligation is intended shall be entitled to exercise any and all rights and remedies that may be available in equity or under the laws of the State of New Jersey, including the right of specific performance to the extent available. Further, the Parties may apply to the Court for relief, by way of a motion for enforcement of litigant's rights.

10.16 Notice of Actions. The Parties and their respective counsel agree immediately to provide each other with notice of any lawsuits, actions or governmental declarations threatened or pending by third parties of which they are actually aware which may affect the provisions of this Agreement.

10.17 Construction, Resolution of Disputes. This Agreement has been entered into and shall be construed, governed and enforced in accordance with the laws of the State of New Jersey without giving effect to provisions relating to the conflicts of law. Jurisdiction of any litigation ensuing with regard to this Agreement exclusively shall be in the Superior Court of New Jersey, with venue in Union County. Service of any complaint may be effected consistent with the terms hereof for the delivery of "Notices," hereinafter defined. The Parties waive formal service of process. The Parties expressly waive trial by jury in any such litigation.

10.18 Conflicts. The Parties acknowledge that this Agreement cannot be affected by the Compliance Action or any amendments to the Township's Affordable Housing Plan or Land Use and Development Ordinances and this Agreement shall control with respect to those matters as applied to the Property. Upon the entry of a Judgment of Compliance and Repose in the Township's Compliance Action, and after the Compliance Action is concluded, the Court shall retain jurisdiction to ensure compliance with the terms and conditions of this Agreement. As to any inconsistencies between the Redevelopment Approvals and this Agreement, the Redevelopment Approvals shall control.

10.19 Recitals. The recitals of this Agreement are incorporated herein and made a part hereof.

RESOLUTION

WHEREAS, on March 24, 2015, the Township Council of the Township of Berkeley Heights adopted a resolution in which the Township reaffirmed its voluntary commitment to satisfy its affordable housing obligations, however they may ultimately be defined by COAH or a court; and

WHEREAS, in compliance with the New Jersey Supreme Court decision in In re Adoption of N.J.A.C. 5:96 & 5:97 by N.J. Council on Affordable Housing, 221 N.J. 1 (2015), on or about July 2, 2015, the Township filed an action with the Superior Court of New Jersey, entitled In the Matter of the Application of the Township of Berkeley Heights, County of Union, Docket No. UNN-L-2405-15, seeking a Judgment of Compliance and Repose approving its Fair Share Plan, in addition to related relief (the "Compliance Action"); and

WHEREAS, on or about November 10, 2015, The Connell Company ("Connell") made a presentation to the Mayor and Council at a public Council meeting for the expansion of permitted uses in the OR-A Zone so as to permit multi-family residential, retail and ancillary uses; including the intended development of an approximately three hundred and twelve (312) unit luxury residential rental development with potentially up to approximately 45,000 square feet of retail space on a portion of the property identified as Block 4102, Lot 1, consisting of approximately 47.6897± acres, and located in the OR-A (Office and Research) Zoning District, including the provision of off-site affordable housing units within the Township; and

WHEREAS, the portion of the property currently within the OR-A Zone proposed to be the site of the Proposed Project consists of approximately 11.4 acres located on part of the site of what was to have been 500 Connell Drive; and

WHEREAS, in connection with the establishment of the OR-A Zone, the Township and Connell entered into a Development Agreement, dated September 21, 1989, as subsequently modified by Settlement Agreement, dated January 24, 1995 (the "Settlement Agreement"), wherein Connell and the Township agreed that Connell would satisfy its affordable housing obligation generated in connection with the anticipated construction of up to 800,000 square feet of office and/or research use space by the payment to the Township of \$2,350,000 (the "Prior Affordable Housing Contribution"), which payment was made by Connell; and

WHEREAS, in connection with Connell's payment of the Prior Affordable Housing Contribution, the Township amended the regulations for the OR-A Zone in accordance with the Settlement Agreement, including the exemption of the permitted construction of up to 800,000 square feet of office and/or research space from any ordinance requiring either inclusionary development of affordable housing or payment in lieu of such inclusion; and

WHEREAS, to date, Connell has constructed 542,000 square feet of office space, leaving approximately 258,000 additional square feet of office and/or research space permitted to be developed without an additional contribution towards the Township's affordable housing obligation being necessitated; and

WHEREAS, the current OR-A Zone and OR-B Zone comprise the area of the Township currently known as "Connell Corporate Park", which Connell is looking to rebrand as "Connell Center", including the development of a hotel and restaurant (approved and currently under construction in the OR-B Zone) and development of an outdoor recreation area (approved and currently under construction in the OR-A Zone and the OR-B Zone), and inclusive of the existing Lifetime Fitness facilities located in the OR-B Zone; and

WHEREAS, after ongoing discussions and negotiations with representatives of the Township and Connell, the parties have agreed upon the general terms of the rezoning of a portion of the OR-A Zone (to be known as the new "OR-A1 Zone") to allow for the potential development of the Proposed Project within the OR-A1 Zone, with an inclusionary affordable housing component (to be located on and/or off-site) of any development reflecting the newly permitted uses; and

WHEREAS, the project contemplates the construction of up to 328 residential units including 35 affordable units allocable to the first 312 market rate units plus 15% affordable units for all market rates units thereafter (comprised of approximately 377,000 square feet of residential development), and up to approximately 45,000 square feet of retail development (the "Proposed Project"); and

WHEREAS, the parties concur that, in return for the Township's rezoning of a portion of the OR-A Zone by way of creation of new OR-A1 Zone in which the permitted uses are expanded to include market-rate multi-family housing, retail and related ancillary uses, Connell will incur an obligation to provide affordable housing units in connection with any development of residential units, subject to a credit to Connell for so much of the Prior Affordable Housing Contribution allocable to cover the affordable housing obligation related to the development of the 258,000 square feet of office and/or research use space that has not been built as more specifically enumerated in the Development Agreement which is the subject of this resolution; and

WHEREAS, Connell is required to provide a non-residential development fee in connection with the development of any retail space; and

WHEREAS, the Township and Connell wish to enter into this Development Agreement to memorialize the agreed upon terms of rezoning and potential development, which is to be filed with the Court in connection with the Township's Compliance Action; and

WHEREAS, the Development Agreement, in the form attached hereto, has been reviewed and approved by the Township Attorney, along with the attorney for Connell; and

WHEREAS, the Township Council finds it to be in the best interest of the Township to enter into the Development Agreement with Connell to memorialize the agreed upon terms of the development of the Property, with an inclusionary affordable housing component.

NOW, THEREFORE, BE IT RESOLVED that the Mayor and Township Council of the Township of Berkeley Heights, County of Union, State of New Jersey, as follows:

1. The Mayor and Township Clerk are hereby authorized and directed to execute the Development Agreement with Connell in the substantial form attached hereto.

The Parties will work together to ensure that the Court approves the Agreement at the currently scheduled Fairness Hearing or promptly thereafter, if rescheduled by the Court.

2.2 In the event of any legal challenges to the Court's approval of this Agreement or the Redevelopment Approvals, the Parties shall diligently defend any such challenge and shall cooperate with each other regarding said defense. In addition, if any such challenge results in a modification of this Agreement or the Inclusionary Development, the Parties shall negotiate in good faith with the intent to draft a mutually-acceptable amended Agreement, provided that no such modification requires an increase or decrease in density from that agreed upon and reflected in the within Agreement.

2.3 This Agreement does not purport to resolve all of the issues before the Court raised in the Compliance Action.

ARTICLE III – LOCKHERN OBLIGATIONS

3.1 Affordable Housing Set-Aside. Lockhern shall have an obligation to deed-restrict fifteen percent (15%) of the residential units in the Inclusionary Development as very low, low and moderate income affordable units. Any such affordable units shall comply with UHAC, applicable COAH affordable housing regulations, any applicable order of the Court, and other applicable laws.

- 3.1.1 In addition, the affordable units shall remain affordable rental units for a period of thirty (30) years from the date of their initial occupancy (“Deed-Restriction Period”) so that the Township may count the units against its obligations to provide family rental housing. This obligation includes, but is not limited to, Lockhern’s obligation to comply with the bedroom distribution requirements, very low (1 unit) / low (1 unit) / moderate (1 unit) income split requirements, pricing requirements, affirmative marketing requirements, candidate qualification and screening requirements, and deed restriction requirements. - 3.1.4 The Parties agree that the affordability controls shall expire at the end of 30 years after the date of the initial occupancy of the affordable units. At the end of the Deed-Restriction Period, the Township shall cooperate with Lockhern to facilitate Lockhern’s exercise of its right to terminate the deed restriction.
- 3.1.5 The Parties agree that the affordable units are to be included in the Affordable Housing Plan to be approved and credited by the Court in the Compliance Action, and that the credits will be applied against any Round 3 obligation assigned to the Township.
- 3.1.6 Upon written notice, Lockhern shall provide detailed information requested by the Township, or the Township’s Administrative Agent, within 30 days concerning Lockhern’s compliance with UHAC and other applicable laws.

3.2 Obligation Not To Oppose Township’s Application for Approval of its Affordable Housing Plan. As it pertains to the Property, Lockhern shall not directly or indirectly oppose or undertake any action to interfere with the Court’s adjudication of the Township’s affordable housing obligations and compliance standards. Lockhern shall also not directly or indirectly oppose or undertake any action to interfere with the Court’s approval and/or

implementation of the Affordable Housing Plan, as it may be amended in any form, unless the Affordable Housing Plan deprives Lockhern of any rights created hereunder, or unless any other defendants or interested parties undertake any action to obstruct or impeded Lockhern from securing such approvals as it needs to develop the Inclusionary Development on the Property.

3.3 Obligation to Withdraw as an Intervenor in the Township's Compliance Action. Upon the Court's approval of this Agreement at the Fairness Hearing, Lockhern shall no longer continue to participate in the Compliance Action, except for the limited circumstances described provided in Section 3.2 of this Agreement; and shall formally be dismissed from the Township's Compliance Action.

ARTICLE IV - OBLIGATIONS OF THE TOWNSHIP

4.1 Obligation To Effect Redevelopment Approvals. At the time of execution of this Agreement, the Township has adopted a resolution ("Initial Resolution") directing the Planning Board to undertake a preliminary investigation of the Property to determine if the Property meets the criteria for designation as a "non-condemnation redevelopment area" in accordance with N.J.S.A. 40A:12A-5 and -6. The Township shall request that the Planning Board undertake its preliminary investigation and make a recommendation as to whether the Property should be designated as a non-condemnation redevelopment area within sixty (60) days of the full execution of this Agreement. Within thirty (30) days of the Planning Board's recommendation that the Property be designated as a non-condemnation redevelopment area, the Township shall adopt a resolution formally designating the Property as a non-condemnation redevelopment area ("Redevelopment Area Designation"). Within ninety days (90) of the date of the Redevelopment Area Designation, the Township shall prepare a redevelopment plan in accordance with N.J.S.A. 40A:12A-7 permitting the Inclusionary Development as-of-right ("Redevelopment Plan"), introduce the Redevelopment Plan by ordinance on first reading, and adopt a resolution referring the Redevelopment Plan to the Planning Board for review and recommendation. Within the lesser of (a) thirty (30) days from the date of the Planning Board's final review and recommendation of the adoption of the Redevelopment Plan, or (b) forty-five (45) days from the date of the Township's introduction of the Ordinance adopting the Redevelopment Plan and referring the Redevelopment Plan to the Planning Board, the Township shall adopt the Redevelopment Plan by ordinance on second reading ("Ordinance"). Within thirty (30) days of the date of the adoption of the Ordinance, the Township shall negotiate a redevelopment agreement with Lockhern or an urban renewal entity to which Lockhern may assign its interest in the Property ("Redevelopment Agreement") and adopt resolutions approving the Redevelopment Agreement and designating Lockhern (or its successor) as the exclusive redeveloper of the Property. The Redevelopment Agreement shall be reasonably satisfactory to both the Township and Lockhern (or its successor) and upon final adoption of the redevelopment plan and in connection with the entering of the redevelopment agreement, the Inclusionary Development shall be subject to a Payment in Lieu of Taxes (PILOT) agreement between the Township and Lockhern or an urban renewal entity to which Lockhern may assign its interest in the Property, the specific terms of which shall be further negotiated between the parties. The Township and Lockhern (or its successor) shall execute the Redevelopment Agreement promptly after the Township's adoption of the resolution approving same. In connection with the above actions, the Township shall comply with all applicable

procedural requirements set forth in the Redevelopment Law and the case law interpreting same, including, but not limited to, legal notice requirements. All of the time periods set forth in this Section 4.1 may be subject to extension of time, which shall be reasonably agreed upon by the Parties, if at no fault of either Party the required actions cannot be completed within the time periods established. The time period for the preparation of the Redevelopment Plan shall not begin until the Township has agreed to all Exhibits listed under Exhibit B.

4.2 Obligation To Preserve The Redevelopment Approvals. The Redevelopment Approvals shall not be amended or rescinded except upon the application of Lockhern or by Order of the Court.

4.3 Representation regarding Sufficiency of Water and Sewer: The Township represents that to the best of its knowledge, sufficient potable water and sewer capacity currently exist to serve the Inclusionary Development. The Township agrees to reasonably comply with Lockhern's investigation and inquiry into the sufficiency of such potable water and sewer capacity. Any water, sewer, or any other utility infrastructure or improvements, whether on-site, off-site or off-tract, required for the development of the proposed Inclusionary Development shall be at the sole cost and expense of Lockhern. Lockhern may provide a pro rata contribution in accordance with N.J.S.A. 40:55D-42 and Sections 4.5 and 5.3 of this Agreement, as applicable, for any such improvements which are located off site or off tract.

4.4 Obligation To Cooperate: The Township acknowledges that in order for Lockhern to construct its Inclusionary Development, Lockhern will be required to obtain any and all necessary and applicable agreements, approvals, and permits from all relevant public entities and utilities; such as, by way of example only, the Township, the Planning Board, the County of Union, the Union County Planning Board, the New Jersey Department of Environmental Protection, the New Jersey Department of Transportation, the Somerset-Union Soil Conservation District and the like, including the Township's ordinance requirements as to site plan and subdivision approval (the "Required Approvals") and the Redevelopment Plan. The Township agrees to use all reasonable efforts to assist Lockhern in its undertakings to obtain the Required Approvals.

4.5 Obligation to Refrain From Imposing Cost-Generative Requirements. The Township recognizes that the Redevelopment Approvals and this Agreement all contemplate the development of an "inclusionary development" within the meaning of the Mount Laurel doctrine, and Lockhern shall be entitled to any benefits, protections, and obligations afforded to developers of inclusionary developments, in addition to what Lockhern agreed to in the Memorandum of Understanding and this Agreement. Therefore, the Township will not impose development standards and/or requirements that have not been agreed to by the parties, and would otherwise be considered to be "cost generative."

ARTICLE V – OBLIGATIONS OF THE PLANNING BOARD

5.1 Obligation to Participate in Redevelopment Approvals with Reasonable Diligence. Notwithstanding any other provision of Article V, the Parties understand that the Planning Board is not a party to this Agreement, but the Parties anticipate that the Planning Board will honor the provisions set forth herein. At the time of the execution of this Agreement,

the Township has already adopted the Initial Resolution. Within sixty (60) days of the full execution of this Agreement, the Planning Board shall complete its preliminary investigation of the Property to determine if the Property meets the criteria for designation as a “non-condemnation redevelopment area” in accordance with N.J.S.A. 40A:12A-5 and -6. Such preliminary investigation includes, but is not limited to, the preparation of a preliminary investigation report and map, the holding of a preliminary investigation hearing on the Property, and the Planning Board’s formal recommendation regarding the redevelopment area designation of the Property. The Planning shall also expedite its review of the Redevelopment Plan in accordance with N.J.S.A. 40A:12A-7. In connection with the above actions, the Planning Board shall comply with all applicable procedural requirements set forth in the Redevelopment Law and the case law interpreting same, including, but not limited to, legal notice requirements. The costs of the preparation of this preliminary investigation study and the preparation of the redevelopment plan and related work shall be borne by Lockhern through an escrow agreement with the Township.

5.2 Obligation to Process Lockhern’s Development Applications with Reasonable Diligence. The Planning Board shall expedite the processing of Lockhern’s development applications following Court approval of this Agreement following a duly noticed Fairness Hearing in accordance with N.J.A.C. 5:93-10.1(a) and within the time limits imposed by the MLUL. In the event of any appeal of the Redevelopment Approvals, or Court approval of this Agreement, the Board shall process and take action on any development application by Lockhern for the Property which decision may be conditioned upon the outcome of any pending appeal.

5.3 Obligation to Refrain From Imposing Cost-Generative Requirements. The Planning Board recognizes that the Redevelopment Approvals and this Agreement all contemplate the development of an “inclusionary development” within the meaning of the Mount Laurel doctrine, and Lockhern shall be entitled to any benefits, protections, and obligations afforded to developers of inclusionary developments in addition to what Lockhern agreed to in the Memorandum of Understanding and this Agreement. Nothing shall prevent Lockhern from applying for a waiver or bulk variance from any standard imposed by the Redevelopment Plan and/or the Township’s Land Use and Development Ordinance, as applicable, and the standards set forth in the MLUL and/or the Redevelopment Law, as applicable, shall determine if Lockhern is entitled to this relief or to a waiver or de minimus exception to any standard or requirement of the Residential Site Improvement Standards under the applicable regulations. Notwithstanding the above, the Township Council and the Planning Board are under no obligation to grant or approve any request for a variance, waiver or de minimus exception.

ARTICLE VI – MUTUAL OBLIGATIONS

6.1 Escrow Agreement. Within thirty (30) days of the Effective Date (as this term is defined herein), the Township and Lockhern shall enter into an escrow agreement for the deposit of monies in escrow with the Township to be utilized to tender payment of reasonable fees for professional services, including legal, engineering, planning services and construction inspection, being provided in conjunction with the Redevelopment Approvals and the review and construction inspection of the Inclusionary Development and any off-site and off-tract improvements.

6.2 Obligation To Comply with State Regulations: The Parties shall comply with any and all Federal, State, County and local laws, rules, regulations, statutes, ordinances, permits, resolutions, judgments, orders, decrees, directives, interpretations, standards, licenses, approvals, and similarly binding authority, applicable to the Inclusionary Development or the performance by the Parties of their respective obligations or the exercise by the Parties of their respective rights in connection with this Agreement.

6.3 Mutual Good Faith, Cooperation and Assistance. The Parties shall exercise good faith, cooperate, and assist each other in fulfilling the intent and purpose of this Agreement, including, but not limited to, the approval of this Agreement by the Court, the Redevelopment Approvals, the development of the Property consistent with the terms hereof, and the defense of any challenge with regard to any of the foregoing.

6.4 Failure to Effect Redevelopment Approvals; Alternative Rezoning Ordinance Option. If the Township fails to effect the Redevelopment Approvals within the time frames set forth in Section 4.1, then, at the option of Lockhern, in its sole discretion and by prior written notice to the Township in accordance with Article IX of this Agreement, the Parties shall be restored to the status quo ante to the date hereof and all claims and defenses available now shall be available to the Parties:

6.4.1 In the event that Lockhern decides that the Parties shall be restored to the status quo ante to the date hereof and all claims and defenses available now shall be available to the Parties, no Party shall be entitled to use this Agreement, or negotiations in conjunction therewith, to attempt to prejudice the other in any future proceedings.

6.5 Defense of Agreement. Each party exclusively shall be responsible for all costs which they may incur in obtaining Court approval of this Agreement and any appeal therefrom, or from obtaining the Redevelopment Approvals or the approval of the Affordable Housing Plan or any part thereof. The Parties shall diligently defend any such challenge.

ARTICLE VII - AFFORDABLE HOUSING CREDITS

7.1 Upon written notice, Lockhern agrees to supply the Township and the Township's Administrative Agent, within 30 days, all documents within its possession that may be reasonably necessary to demonstrate the creditworthiness of the affordable units.

ARTICLE VIII - COOPERATION AND COMPLIANCE

8.1 Implementation And Enforcement Of Agreement: The Parties agree to cooperate with each other, provide all reasonable and necessary documentation, and take all necessary actions to satisfy the terms and conditions hereof and assure compliance with the terms of this Agreement, subject to prior written agreement between the Parties on payment by the requesting party of the requested party's direct costs and expenses in connection with such assistance. The Township's obligation to cooperate shall be further conditioned upon Lockhern paying and maintaining current real estate taxes, subject to any Exemption for the Inclusionary Development.
