

Road Paving through 2018

Berkeley Heights follows a strategy to increase the funding available for paving roads. To stretch our municipal tax dollars, we apply for and receive annual paving grants from Union County and the State of New Jersey.

Here are the roads that we anticipate paving this year using Union County Co-op dollars for partial funding:

- Shadow Lane
- Riverbend Road
- Campbell Lane
- Surrey Lane
- Canterbury Lane
- Willow Way
- Dell Lane
- Chaucer Drive
- Brook Street
- Stewart Lane
- Cromwell Court
- York Place

Tapping grant money from NJDOT's Municipal Aid Program, we will also pave:

- Lawrence Drive
- Robbins Avenue
